MISSION STATEMENT

My primary mission as a daughter of God is to faithfully provide for the care and feeding of my husband, Mel, and my daughter, Cecilia. They are my life and my joy! Second to that is my mission as a lay Catholic evangelist—a calling that has often surprised and delighted me. I give thanks to God for using me in this way, and I look forward to the continuing unfolding of this great adventure with Him.

If I had to boil down the essence of what I feel called to do, it is to *encourage* people—whether through music, storytelling, or teaching from the great Catholic spiritual writers and my own life experience. Tears in the audience (and occasionally from me) are not uncommon, and I consider them sacred. My audiences and I also laugh a lot, which I consider to be a true gift of the Holy Spirit. These audiences have ranged from women’s prayer breakfasts to Catholic leadership groups to large family conferences.

My heart burns with a desire to share the riches of our Catholic faith, especially to lapsed or lukewarm Catholics. I submit myself to the teaching authority of the Magisterium of the Roman Catholic Church in matters of faith and morals, and I delight in her guidance.

Favorite topics include:

- God's Grace Is Enough for Me (similar to my Lighthouse CD, *God Will Provide*)
- Mirror, Mirror: Seeing Myself As God Sees Me (for women)
- Deus Providebit: Trusting in God's Divine Providence
- Mary at My Door: How to take Mary into your heart and into your home
- The Habit of Prayer: Making time for God
- Peace I Leave with You: Receiving the gift that only Christ can give
- Divine Mercy: A message for our times
- Life in the Holy Spirit: Fire Within

I also enjoy being given particular topics to research and prepare, as well as being commissioned to write songs from particular quotes or themes.

By virtue of my baptism, I have been called to become an evangelist in a world where despair, godlessness, and violence cry out for a remedy. My job is to rally the troops and encourage them to do join me in this mission to bring the Good News to the ends of the earth, starting in our own hearts, homes and parishes.

In Christ, our Hope,

BIOGRAPHY

Singer/songwriter and inspirational speaker **Kitty Cleveland** began her professional career as a lawyer and then as a college professor. But in an adoration chapel one day in 1998, as she searched for God during a devastating family crisis, she clearly heard the Lord call her to become a "music missionary."

Kitty enthusiastically heeded the call and has since released 12 CDs of music and prayer--including two CDs with Lighthouse Catholic Media. Her latest CD, *Hail, Holy Queen*, reached #10 on Billboard's Traditional Classical chart. She has appeared numerous times on television, on the radio, in concert, and is in demand as a keynote speaker both at home and abroad.

Kitty makes her home in the New Orleans area with her musician husband and teen daughter, whom they adopted from China in 2005. She enjoys cooking, gardening, painting, and is currently working on her first book about her father's unjust imprisonment and dramatic release by the U.S. Supreme Court.

WHAT OTHERS ARE SAYING

"Kitty's love for the Lord and for her Catholic faith was palpable, and she left us all uplifted and encouraged with her message and music. I wholeheartedly recommend Kitty Cleveland for your future event." **Most Rev. Samuel J. Aquila, S.T.I., Archbishop of Denver**

"Kitty shared her inspiring story and beautiful singing with endearing personality and delightful humor. Many of the 500 women said afterward that she was their favorite Magnificat speaker of all time--out of 40 speakers! I heartily recommend her for any group." **Kay Burkot, Magnificat of Pittsburgh, PA**

"I have the privilege of counting Kitty Cleveland as one of my close friends, and for that I am most grateful. When I listen to her CDs I'm touched by her wellspring of talent, but even more I'm moved knowing that her music is the result of God interacting with her in the valleys and the mountaintops of her life. She is real, she is deeply spiritual, and she has one of the most beautiful voices I have ever heard." **Jeff Cavins, bible scholar and Catholic evangelist**

"We are all still floating since your appearance at our Endow Gala! This week I have had more positive calls and emails than I can possibly handle. The humor, warmth, and love that came through in your talk had all 500 people in the room riveted." **Terry Polakovic, Endow Co-Founder and Executive Director**
